

Trace'n Treat Educational Workshop

Hands on Soft Matter: Theory and Experiments

Start date: 14th of October 2013

End date: 17th of October 2013

Venue: Dept. Chemical Engineering, Julianalaan 136, Delft

The workshop offers a comprehensive introduction to various aspects of Soft Matter theory complemented by hands on experiments. Tentative program below (experiments in blue).

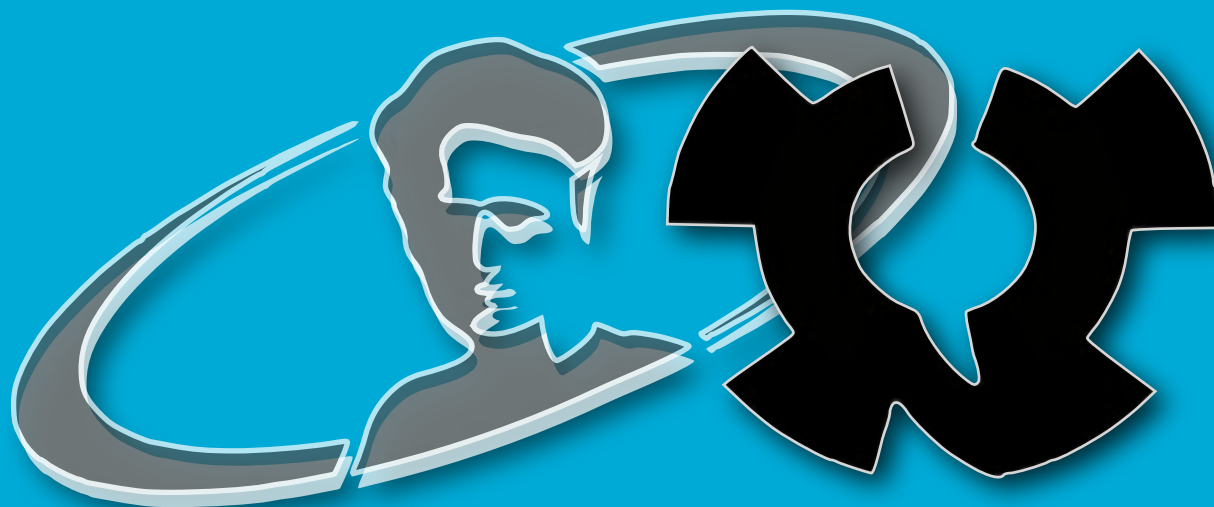

Register via email to: M.A.W.Jacobs@tudelft.nl

Registration deadline: 10th of October 2013

Participation to non Trace'n Treat fellows limited to day one, 14 September.

Cost of workshop including practical sections: 170 euros

The course corresponds to 4 credits (1 credit per day) according to the TU Delft graduation school.

Trace 'n Treat Educational Workshop

Hands on Soft Matter: Theory and Experiments

Start date: 14th of October 2013

End date: 17th of October 2013

Venue: Dept. Chemical Engineering, TU Delft

	Day 1: Theory (open)	Day 2: Experiments (fellows only)	Day 3: Experiments (fellows only)	Day 4: Experiments (fellows only)
8:55-9:00	Intro (E. Mendes)	Per group of 2, students will carry on training on different techniques, one in the morning, one in the afternoon	Per group of 2, students will carry on training on different techniques, one in the morning, one in the afternoon	Open Laboratories to fellows. Samples from home or deepen knowledge on experiments
9:00 - 10:30	Pouyan Boukany (TUDelft) Polymer Rheology			
10:30 - 10:45	Pause			
10:45 - 12:15	Louis de mSet (TU Delft) AFM			
14:00 - 16:00	François Schosseler (CNRS France) Radiation Scattering			
16:00 - 16:45	Pause			
16:45 - 17:00	Lab tour (including setups of next day)			

Travel

Train

To find trains connecting to Delft use the website of the Dutch Railways (www.ns.nl). The Department is at 15 minutes walking distance from the train station (see map below).

Bus

Take bus 40, 69 or 121 directly to Julianalaan or 60, 62, 80, 81, 82 and leave the bus at Michiel de Ruyterweg (2 minutes walk). More information at www.9292.nl (in Dutch).

Car

Drive towards highway A13 that connects The Hague with Rotterdam. Coming from North or South exit at Delft-Zuid and in the roundabout follow TU-Wijk. Then:
 1st street to the right (Schoemakerstraat)
 3rd street to the left (Chr. Huygensweg)
 1st street to the right (Mekelweg)
 3rd street to the left (Prins Bernhardlaan 6)

Taxi

A taxi may cost up to 10 Euros from Delft Central Station.
